

There's SNOW BETTER Time to Read

FAMILY Reading Challenge

This Family Literacy Day, join in on the reading fun! Each time you read a book, colour in one of Frosty's buttons. When all six buttons are coloured, return your picture to the library. Feel free to colour the rest of your picture too—we'll be posting it on our bulletin board. Return your completed sheet to the library before February 5, 2023 for your chance to enter to win a very frosty prize basket.
